# AUTHORIZED CERTIFICATION

The products through the ISO9001 quality management system certification

The product has obtained Societe Generale de Surveillance S.A. certification

The products are certified by Thailand Industrial Standards Institute of industry

The product obtained the design patent certificate

The products obtained CTC certification of China Building Materials

All products have obtained 3C certification

The product has passed SASO Saudi certification

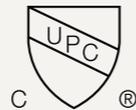

The products through the EU CE certification

The product has passed SNI certification and meets Indonesian national standards

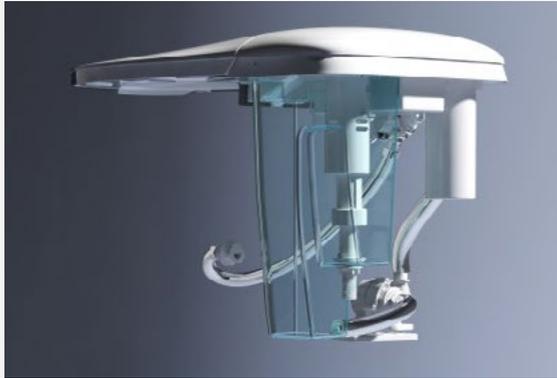

The products have passed ETL north American safety certification

The products obtained uniform plumbing code certification

## DUAL-PUMP TURBO BOOST

"Flushing Upgraded" Dual-Pump Whisper Flush System Strong and fast sewage, double pumps at the same time to build up the pressure, compared with the market single-pump pressurized flushing system flushing force is more powerful, more stable, a bring a higher quality of life of the intelligent toilet.

## DUAL-PUMP TURBO BOOST

"Flushing Upgraded" Dual-Pump Whisper Flush System Strong and fast sewage, double pumps at the same time to build up the pressure, compared with the market single-pump pressurized flushing system flushing force is more powerful, more stable, a bring a higher quality of life of the intelligent toilet.

## NOISE-REDUCING LIGHT FLUSHING

With Ultra-Quiet Flush Pro, our smart toilet integrates variable-speed motor + 3D vortex flush, reducing noise to 40dB (vs. standard  $\geq 60$ dB). Multi-layer silencing + hydraulic buffering ensures zero disturbance for nighttime use.

## NOISE-REDUCING LIGHT FLUSHING

# E80

Floor-mounted smart toilet

## PRODUCT INFORMATION

**Dimensions:** 590x380x480mm

**Pit spacing:** 300/400mm

**Heating:** instant heating

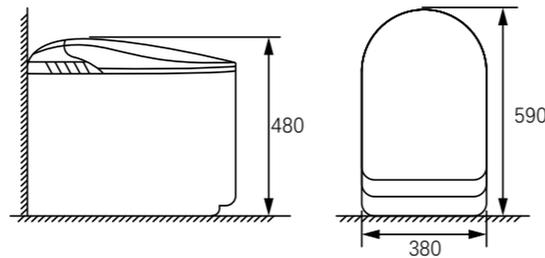

**Flush:** jet siphon type

**Drainage:** wall drainage/floor drainage

## PRODUCT DIMENSIONS

## Industry-leading intelligent technology

## PRODUCT CONFIGURATION

No water pressure requirement

Intelligent sensor control

Multiple control methods

Replaceable bubble design

## E80 PRODUCT FUNCTION INFORMATION

### BASIC FUNCTIONS

#### Cleaning System

- Hip wash
- Reciprocating wash
- Strong and weak massage
- Feminine wash
- Children's wash
- Water pressure adjustment
- Water temperature adjustment
- Hose position adjustment

#### Comfort Design

- Slow-down cover
- Seating sensor
- Excessive sitting reminder
- Heated seat
- Warm air drying
- Air temperature adjustment
- Seasonal temperature sensor

#### Intelligent Control

- Smart remote control
- Digital display
- Side button
- Leave-the-seat flush
- Super vortex flush
- Remote control flush
- Intelligent size punch
- Power outage flush

#### Safety System

- ABS antibacterial spray wand
- Self-cleaning nozzle
- Leakage protection
- Low-temperature burn prevention

## PRODUCT CONFIGURATION

**STANDARD、HIGH、TOP:** Optional: Pulse model / Tank model

FEATURES	TOP	HIGH	STANDARD	AUTOMATIC	BASIC
Capacitive foot-sensing flushing	●	●	●	●	●
Sedentary reminder	●	●	●	●	●

## PRODUCT CONFIGURATION

## E70 PRODUCT FUNCTION INFORMATION

### BASIC FUNCTIONS

#### Cleaning System

- Hip wash
- Reciprocating wash
- Strong and weak massage
- Feminine wash
- Children's wash
- Water pressure adjustment
- Water temperature adjustment
- Hose position adjustment

#### Comfort Design

- Slow-down cover
- Seating sensor
- Excessive sitting reminder
- Heated seat
- Warm air drying
- Air temperature adjustment
- Seasonal temperature sensor

#### Intelligent Control

- Smart remote control
- Digital display
- Side button
- Leave-the-seat flush
- Super vortex flush
- Remote control flush
- Intelligent size punch
- Power outage flush

#### Safety System

- ABS antibacterial spray wand
- Self-cleaning nozzle
- Leakage protection
- Low-temperature burn prevention

## PRODUCT CONFIGURATION

FEATURES	TOP
Capacitive foot-sensing flushing	●
Sedentary reminder	●
Four-season constant temperature	●
Smart flushing	●
Capacitive foot-sensing flip cover/ring	●
Remote control flip cover/ring	●
Foam shield deodorization	●
Voice control	●

# E72

Floor-mounted smart toilet
